SPECIAL INSTRUCTIONS

Dustbins : a single collecting point, in the stone shelter, with separate bins.

In case of fire or accident, do not panic ; immediately call a member of the staff.

Should there be a thunder storm, wait until the rain stops ; the water will run off rapidly. It is forbidden to dig trenches round the camping places.

In order to protect the grass, it is recommended that you do not use vinyl ground sheets.

LOW SEASON HOLIDAYS

The camp site is open from March 20th until October 20th. Due to the Mediterranean climate, the region is pleasant from the first days of Spring.

More than 30 % reduction for tents and caravans and on chalet prices during low season.

This administration fee for a pitch is offered for a stay starting from 20th March to 30th June and from 18th August to 20 October.

For your comfort, one of our toilet and shower blocks is heated in spring and autumn.

NATURE

- It is possible to go on walks within the camp site : visit to the Xth century tower, path to the spring, view from the Puech, dog path...
- A lot of walks starting from the camp site and from Anduze (walking guides sold at reception 4 €).
- There are more than 120 species of trees and bushes on the camping site ; a list is available at reception.
- Help yourself to herbs at the mini-golf free : please use scissors and only take what you need.
- Bathing in calm water above the dam, or more adventurously, among the rocks of the Gardon gorge.
- Fishing : licences (compulsory from the age of 7) on sale from reception (annual permits, 15-day holiday licences or daily licence).
